Active and Passive Voices

(Активний і пасивний стан)

The tense forms of the verbs can be used in **Active Voice**:

We **divide** books into two main groups. (Present Simple Active)

or in **Passive Voice**:

Books **are divided** into two main groups. (Present Simple Passive).

- We often prefer the Passive Form when it is not so important who or what does the action:

Millions of books **are published** every year.

- When you want to say who does the action or what causes the action, use **by** in Passive Voice:

Fairy tales are read **by** children with pleasure.

The website is visited **by** lots of people.

For **Present Simple Passive** use the correct form of 'to be' (am/is/are) + 3rd form of the verb: **am done, is done, are done.**
