1 Read the letter and name all the people in June's life.

Ann has just come from holidays. Before going away she sent her address to a youth magazine called 'Sugar'. When she got back home, she was very surprised to find a letter.

Sydney, 2nd September

Dear Ann,

While I was reading 'Sugar', I came across your address, so I decided to write to you because we seem to have a lot in common. At least we both like reading the same magazine.

I'm 15 years old and I live with my brother and parents in Sydney. You could say that I live with my parents but I don't see them very often.

My Mum works for an advertising agency. I think her job is much more interesting than my Dad's. I get on very well with her, but sometimes she worries too much.

My father is a bit of a workaholic. He works for a big publishing company. He works late hours, even weekends. He's nice, but when I go out, he wants me to be back by 10 o'clock.

I like drawing a lot, I'd like to be a designer or maybe illustrate children's books. I've taken up extra painting classes and it's a lot of fun. My brother thinks I'm not talented at all but that's my brother. He's a bit of a weirdo, anyway. He is 18, but still spends most of the time on his skateboard. He has a bunch of friends who are all crazy about it. They all think they are cool.

He hopes to become a famous musician. He spends hours practising, the rest of the time he teases me. He's taking exams at the moment. He pretends to be studying, but he is playing computer games or watching videos.

My best mate is called Eve. She's a real friend. She never lets me down. We go to the same school. When school is over, we go to the beach to watch windsurfers. I like one of the boys there a lot. Eve says he is a real joker. His name is Pete, but he doesn't even notice me.

This weekend I'm going birdwatching with my parents. We will go into the bush with binoculars², sleep in tents and have a lot of fun. Eve's coming with us and we have to catch up with all the news. That's all for now! I hope to hear from you soon.

Love,

June

*We **are eating** at a restaurant tonight.*

(We have made a plan to eat in a restaurant.)

*She **isn't coming** next week.*

Note. We use the **Present Simple** to talk about timetables, programmes, scheduled events, trains, planes or buses.
