CHAPTER 1

It was cold and dry in the far north of America and there was snow everywhere. Henry and Bill were on a long and difficult journey. In the beginning, they had six dogs, but every night, they lost another to the wolves. Now, with only three dogs, they were travelling slowly.

"Everyone knows that sharks follow ships. Well, those wolves are land sharks!" said Bill. He was very angry because they couldn't scare the wolves away.

Suddenly, a brave she-wolf appeared. There was something different about her. She was half dog, half wolf and wasn't scared of the humans. Henry and Bill were surprised. Even their dogs were friendly to her and one of them ran towards her. Then about twelve wolves jumped out of the bushes, attacked the dog and started biting

its neck and legs. The two men were shocked!

"It's a trap! These wolves are clever! We need to stop them, now!" said Bill and started chasing the wolves.

"You're crazy!" shouted Henry. "You've only got three bullets!"

A few minutes later, Henry heard cries and three gun shots. Then he heard nothing. Bill didn't return. He knew he couldn't do anything to save him. It was just him and two dogs now. He was alone and afraid.
