Walter Scott [ˌwɔːltə 'skɒt] is the creator of a historical novel in English literature. He was born in Edinburgh, Scotland. He loved his native land deeply and was greatly interested in its past. In his youth he made a good collection of the old Scottish ballads¹. Walter Scott first became known as a poet. In 1814 his first novel *Waverley* ['weɪvəli] appeared. During the next few years Scott published many novels among which are *Rob Roy*, *Ivanhoe* ['aɪvənheɪ], and he became the most famous novelist of his days.

John Ronald Reuel Tolkien, a professor of Literature and English at Oxford and a storyteller, became famous with his trilogy *The Lord of the Rings* (1954-1955). It is especially loved by young people. Tolkien's epic world is populated by elves, magicians, dwarves and monsters. Since the publication of *The Lord of the Rings*, a whole industry of fantasy literature, computer games, and other products has been created by worldwide Tolkien's fans to continue his work.

5. Grammar

Active and Passive Voices

(Активний і пасивний стан)

The tense forms of the verbs can be used in **Active Voice**:

*We **divide** books into two main groups.* (Present Simple Active)

or in **Passive Voice**:

*Books **are divided** into two main groups.* (Present Simple Passive).

- We often prefer the Passive Form when it is not so important who or what does the action:

*Millions of books **are published** every year.*

- When you want to say who does the action or what causes the action, use **by** in Passive Voice:

*Fairy tales are read **by** children with pleasure.*

*The website is visited **by** lots of people.*

For **Present Simple Passive** use the correct form of 'to be' (am/is/are) + 3rd form of the verb: *am done, is done, are done.*
