*Прочитайте текст та назвіть, що ви дізнались про музичну виставу:*

**Cats** is Andrew Lloyd Webber's most famous musical. The first performance in the USA was on Broadway in 1982 in the Winter Garden Theater in New York City and it was the longest running musical there until 2006. In 1983 it won the Best Musical Award and six other awards.

The story is about the lives of different cats that talk and act like humans. They dance and sing some very popular songs, like the song 'Memory'. The cats live in a junkyard and have funny names like Grizabella and Bustopher Jones.

The music, the colourful costumes and make-up make *Cats* one of the most popular musicals of all time. Both adults and children love it and it is performed in theatres in many countries, like Australia and China. *Cats* was also made into a film in 1998 and 2019 and you can watch it on DVD.
