Mike, 15 years old

I don't read papers. They are too boring. I prefer to look through magazines about fashion. It is more interesting to me.

Sue, 17 years old

I'm interested in music and I read a lot of articles about my favourite groups and singers. I like to learn more about their private lives. I don't like to read about politics. It is dull and boring. Reading about music is more entertaining.

I am fond of computers, that's why I prefer playing computer games. Reading papers is a waste of time.
