# Super STAR

## Behind the scenes

This week Superstar shows you how the nation's favourite magazine is created.

a Graphic designers design the layout of the magazine on computers and try to make every page look cool. Lots of changes are made at this stage to make sure everything is perfect.

b Reporters and photographers get to work. Lots of famous actors and pop stars are interviewed. Photographs are taken and articles are written.

c First of all, writers and editors get together for a big meeting. Topics are mentioned and ideas for articles are discussed.

d The magazine is saved on a hard drive and sent to the printers. First, a few copies are printed and they are checked. After that, thousands of copies are printed and put into boxes.

e Lastly, the magazines are delivered to shops and sold all over the country. Then they are bought and enjoyed by YOU!

B. Read again and answer the questions.

1. What do they discuss at the first meeting?
2. Who designs the layout of the magazine?
3. How do they send the magazine to the printers?
