Night at the Museum: Battle of the Smithsonian (2009) is an adventure film which was directed by Shawn Levy. It is a sequel to *Night at the Museum* (2006) and Ben Stiller stars as Larry Daley for the second time. In this film, museums are exciting places because at night, all the exhibits from the past come to life! But there is a problem and Larry Daley (Ben Stiller) has to sneak into the Smithsonian to help his friends - the exhibits. Together with Amelia Earhart (Amy Adams), a famous pilot from the past, they manage to put everything back in order.

Night at the Museum: Battle of the Smithsonian is one of the best films I've seen recently. It's funny and action-packed, and it's a wonderful way to spend an evening with your friends or family. The acting is excellent and the plot is great. The music isn't anything special, but the special effects are incredible. You'll see dinosaurs, ancient Egyptians and famous people from the past coming to life in this great adventure! Don't miss it!
