Which of these opinions do you agree with? Why?

I'm a pop fan and I love dance music. It's the music of today.

And I hate classical music. It's boring and the musicians wear old-fashioned clothes.

To:	English Bridge
From:	Mark Turner, Atlanta (USA)
Subject:	Favourite Music

The email body text reads:

Actually, I like all types of music. But at the moment rap is my number one. Call it 'rap', or call it 'hip-hop', it's the same thing. *Public Enemy* are really good, and so is Eminem. I really respect some of the first hip-hoppers, like *Afrika Bambaataa*. The words are important. It's not just music — there's a message. You can dance and think at the same time!

To the right of the email is a cover of the Public Enemy album 'Fear of a Black Planet'.
